

## **KERA PLUS** Infusion

- DAILY SMOOTHER**
- REMOVES FRIZZ**
- REPAIRING AND REVITALISING INGREDIENTS**
- CLOSES CUTICLES**

With a single application it penetrates deeply, repairs and revitalizes hair during styling with dryer and flat iron. Kera Plus closes the cuticle to seal all the nutrients inside the hair. With its Anti-Frizz Technology that provide lasting definition and frizz control with a smooth, shiny finish. This can be applied on all types of hair; curly, frizzy and damaged to obtain smoother, silkier and shinier results. We highly recommend it as a daily care to maintain any smoothing system.

### **Directions:**

Wash your hair with the Keraspa S Shampoo and use the C Conditioner. Towel dry. Apply a small amount of Kera Plus from mid-length to ends. Blow-dry and flat iron.
