

## Amazon

Active Shine serum

- NON GREASY**
- REPAIRS SPLIT ENDS**
- ULTRA SHINE**
- GREAT FOR DRY HAIR**

Unlike oils, Amazon Serum Active shine penetrates the hair cuticles, leaving it soft and ultra-shiny. A concentration of emollients, moisturizers and conditioning ingredients restructures the natural elasticity of the hair. Amazon Serum is suitable for all types of hair but especially for dry hair and split ends.

### **Directions :**

Activate a few drops by rubbing your hands apply from mid-length to ends on dry or wet hair. Note, Amazon Serum is the only product that can be used after any Keraspa smoothing treatment.
