

Volume Design

Volumizing lotion

- ADDS SUPPLE VOLUME**
- MEMORY STYLER**
- ANTISTATIC**
- PROTECTS HAIR FROM BREAKAGE**
- HEAT PROTECTION**

Blow out your hair faster with Volume Design and create flexible volumes, holds and textures. The lotion hydrates and protects your hair from heat during styling process. Add volume where you want it, when you want it

Direction : Spray on wet hair, comb and style with dryer and round brush to create desired volume.

Tips: *To change or revamp your style the next day, spray Volume Design on dry hair, roll each section over your round brush; or over rollers and add heat to the section to refresh.*
